

Cable Lock My first ABUS 1505

Art. no. 43300

Page 1 of 1

Technology

- 4 mm steel cable, extra softly plaited, to prevent rebounding while opening
- Playful easy use even for children due to the both-sided turnable automatic cylinder
- Ergonomics of the key and lock body suitable for children
- Individually adapted design for children in three colours
- Two keys are supplied with the lock

Operation and use

- Basic anti-theft protection for children bicycles

Transport

- Convenient transport by rolling the cable around the saddle post

Tips

- This children lock is also available as a chain lock
- My first ABUS is ideally suitable as learning lock for children

For kids only
