

Key Features of the Rental Cub

Simple

- Customized model ready for rental use
- Bolt-on hitch compatibility using Standard Forged Hitch or Classic Hitch (both sold separately)
- Recessed push-button wheels securely stay on trailer to prevent loss
- Unnecessary parts removed to reduce maintenance (brake and handlebar)

Durable

- 2-in-1 waterproof cover made of long-lasting tarpaulin material, with double sided coating
- Hammock style seat
- Clear vinyl front window- no elastic, snaps or zippers to wear out
- Cover is bolted to top of frame to eliminate dragging cover on the ground
- Double-wall HDPE bucket is quiet and very robust

Easy to Clean

- Plastic bucket washes out quickly with five drain holes
- Non-absorbent cover and seat padding is easily wiped down for cleaning, prevents mold and dries quickly

Other Benefits

- Replacement parts are available
- Yellow cover for high visibility
- Compatible with Burley We! Ski Kit

The Rental Cub® was designed with the high-use rental situation in mind. The durable, double-walled molded base is ideal for daily use over multiple rental seasons. The sturdy design makes it the top choice for continuous use by bike rental companies. Its non-absorbent cover and seat pads make it easy to clean and turn around for the next customer.
