- Heavy-duty drybag with transparent window
- Transparent window allows identification of contents without opening the drybag
- Extremely tear resistant fabric combined with a folding resistant transparent foil
- Bottom loop for fixing the drybags with straps and for holding when emptying the drybag
- Comes with two D-rings at the top for fixing, locking or holding
- Easy to clean on the inside and outside

Note: In order to meet standard IP64 (6=dustproof, 4=protected against splash water coming from all directions) the roll closure must be rolled at least 3-4 times.
