

Coil Cable Lock PHANTOM™ 8950

Art. no. 39685

Page 1 of 1

Technology

- 12 or 15 mm strong, high quality and very flexible coil cable
- Synthetic coating in matt black look to prevent damage to the bicycle's paintwork
- ABUS Extra-Classe automatic cylinder with encoded reversible key
- Two keys are supplied with the lock

Operation and use

- Good protection at low theft risk
- Recommended for securing entry level bicycles and children bikes

Transport

- TexFL and TexKF Mini – Bracket with textile strap, especially suitable for non-round frames, with a diameter of 21-80 mm
- KF – KLICKfix® bracket with easy mounting at the saddle clamping bolt and efficient use
- TexFL – Magnetic bracket with fabric sleeve, especially suitable for non-round frames, max. diameter 21-80 mm

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and useful length

Black - Strong - Secure
