Art. no. 52635

Page 1 of 1

Technology

- 5 mm steel bars, with extra soft 2-components coating to prevent damage to the bicycle's paintwork
- Colour-matching plastic cover for the lock body
- Link construction allows compact folding
- The bars, the case, the links as well as supporting elements of the locking system are made of special hardened steel
- Bars are linked with special rivets
- Two component moulded digits guarantee life-long visibility
- Individually settable code

Operation and use

- Good protection at medium theft risk
- Recommended for securing good bicycles
- The longer the bars, the easier the bicycle can be locked to a fixed object

Transport

- Easy transport thanks to a practical bag
- Flexible mounting with non-slip velcro straps or screws at the bottle holder device

Tips

- The combination lock is very well suited for the use by several people
- Bordo family: Ideal combination of resistibility, weight and transport size
