

General Safety Information

⚠ WARNING – To avoid serious injuries:

- Be sure to attach reflectors to the bicycle when riding at night. Do not continue riding the bicycle if the reflectors are dirty or damaged, otherwise it becomes more difficult for oncoming vehicles to see you.
- If you have any questions concerning your pedals, contact a professional dealer.
- Read these Technical Service Instructions carefully, and keep them in a safe place for later reference.

NOTE:

Products are not guaranteed against natural wear and deterioration from normal use and aging.
